

Overview

This project will develop a Gippsland Moderation Support Network for pre-accredited training providers to share ideas and resources and to support each other.

Professional Development will be offered to pre-accredited Learn Local managers, teachers and assessors to build their knowledge and skills in A-Frame, moderation processes, employability skills, peer appraisal processes and networking.

The project will include developing an online model for moderation and training in the effective use of online tools. .

180 Degrees of Reflection

Networking Moderation in Gippsland

The Project

We would like to invite you to join a network to support moderation of pre-accredited courses and the Pre-accredited Quality Framework in general. Joining the network will give you the opportunity to access free training and be involved in the development of the network.

Training will focus on knowledge and skills in developing pre-accredited courses, moderation processes and networking. It will include developing an online model for moderation of pre-accredited courses to facilitate external and internal moderations, training in the effective use of online tools and developing a Community of Practice for the Pre-accredited Quality Framework.

Training is available face-to-face and online via webinars and can be tailored to meet your needs.

Moderation

- * The moderation process
- * Face-to face moderation sessions
- * Online moderation sessions
- * Giving and receiving feedback

A Frame

- * Employability Skills
- * Develop learning activities
- * Principles of adult learning
