

Workshop: Employability Skills & the Pre-accredited Quality Framework

Date: 6th June 2014

180 degrees of Reflection: Networking Moderation and Gippsland Learn and Connect are excited to offer you a unique opportunity to link up with us for a workshop that will explore employability skills and various teaching strategies that can be used to develop these in pre-accredited learning.

This workshop will be conducted using Technology Enabled Learning Centres (TELC) at Chisholm TAFE, Dandenong, and Federation Training Campuses at Morwell and Bairnsdale. This technology offers access to a range of educational experiences and opportunities and enhances teaching and learning outcomes.

The Gippsland Learn and Connect Project has been working with Federation Training, Morwell for the past 9 months to trial this technology with Learn Local organisations in Gippsland; delivering short courses, accredited and pre-accredited training.

This is a fantastic opportunity to experience the educational potential of TELC technology and to join a diverse group of Learn Local organisations across the SE region for an interactive video enabled professional development workshop. This will be the first time Learn Locals will have the opportunity to access PD facilitated by fast, real time video technology across the SE region whilst interacting with colleagues at the venue and across the region.

This workshop will be led by Marie Baird from the CAE.

Marie is a project leader at CAE College where she coordinates the pre-accredited programs including partnerships with organisations such as Mission Australia, Homeground Services and the Big Issue. Marie has developed and delivered a range of training workshops across employability skills, curriculum development, digital literacy and socially inclusive teaching practices and organised CAE's Social Inclusion in Learning conference at the end of 2013.

Marie will be assisted by facilitators at Dandenong, Morwell and Bairnsdale.

Where:

Chisholm TAFE, Dandenong Campus, 121 Stud Road, Dandenong

Federation Training, Morwell Campus, Monash Way, Morwell

Federation Training, Bairnsdale Campus, 48 Main Street, Bairnsdale

Time: 10 – 3.00 pm

Registration:

To register, complete this online survey: <https://www.surveymonkey.com/s/8D5XSGY> and indicate which venue you would like to attend.

Registrations close: Friday 30th May

For Further Information Contact:

Lunch will be provided

Coming up: Review your A-frames: 20th June @ Bairnsdale Hub

This workshop will be followed by a session in Bairnsdale which will focus on the review of pre-accredited courses. This is an opportunity to brainstorm learning plans and review A Frames with peers. It is, also, an opportunity to complete the documentation required by ACFE to demonstrate continuous improvement.

This will be held at **East Gippsland Community Hub**, Corner of Dalmahoy and Service Street Bairnsdale on Friday June 20. Details to follow
