

Join us for a chat about A Frames

September 12 2014

Join us for a catch-up and chat about the A Frame. We will brainstorm learning plans, review A Frames and complete the documentation required by ACFE to demonstrate continuous improvement.

We welcome any queries regarding the A Frame or Moderation. If there is any specific area you would like to address, please include details in the registration form.

This session is open to all those who develop and deliver pre-accredited training using the A Frame.

\$100.00 will be available for each person attending to assist with costs of the day
